# The Imperial March

21. august 2015

Handwritten musical notation for the first system of 'The Imperial March'. It consists of a single staff with 12 measures. The first measure contains a yellow circle on the first line, with a red star and the letter 'p' above it. The remaining 11 measures each contain an 'X' on the second line, with a red star and the letter 'g' above it.

Handwritten musical notation for the second system of 'The Imperial March'. It consists of a single staff with 12 measures. The first measure contains a yellow circle on the first line, with a red star and the letter 'p' above it. The next two measures contain an 'X' on the second line, with a red star and the letter 'g' above it. The next two measures contain a blue square on the second line, with a red star and the letter 'g' above it. The final four measures contain a blue square on the second line, with a red star and the letter 'g' above it.

Handwritten musical notation for the third system of 'The Imperial March'. It consists of a single staff with 12 measures. The first measure contains a red square on the second line, with a red star and the letter 'p' above it. The next two measures contain a red square on the second line, with a red star and the letter 'p' above it. The next two measures contain a red square on the second line, with a blue star and the letter 'b' above it. The next two measures contain a red square on the second line, with a red star and the letter 'g' above it. The final four measures contain a blue semi-circle on the second line, with a red star and the letter 'g' above it.

Handwritten musical notation for the fourth system of 'The Imperial March'. It consists of a single staff with 12 measures. The first measure contains a green diagonal line from the first space to the second line, with a red star and the letter 'f' above it. The next two measures contain a blue semi-circle on the second line, with a red star and the letter 'g' above it. The next two measures contain a green diagonal line from the first space to the second line, with a red star and the letter 'g' above it. The final four measures contain a blue semi-circle on the second line, with a red star and the letter 'g' above it.
